

Bald Eagles

By Evie and Jack

Contents

Where do bald eagles live.

2

What do Bald eagles eat.

3

Bald eagles aren't actually bald.

Their name comes from the old English word ,,balde,, which means white and refers to their white feathers.

A bald eagle's white head may make it look bald.

But actually the name comes from an old English word, "balde," meaning white.

Where do Bald Eagles live?

All over America.

What do Bald Eagles eat.

They eat meat and fish.
